

Join the fold.

We love designer furniture.

We also love things that are simple,
flexible and durable.

Our furniture combines all of these things, and lets you save up to 97% on space during transport and storage.

The Flux Chair

Our award-winning Dutch design.

Looks like a giant envelope; turns into a designer chair.

One craftily cut sheet of sustainable polypropylene;
six modern colours to choose from;
zero tools necessary.

The Chair Pad

The new Flux Chair Pad is comfortable, easy to store and easy to clean.

It's curved oval shape fits snugly into the chair's seat.

They come in two sizes: big and small.
